## Mission Statement

The mission of New Roots is to provide hope and support to individuals with a Substance Use Disorder, and their families and to facilitate the journey towards a healthier life through meaningful relationships and community engagement.

## Certified Recovery Specialist

The role of the Certified Recovery Specialist (CRS) is to build a strong and unique rapport with the individual in recovery based on their lived experiences. The CRS will help navigate, advocate, and support their fellow peer through their recovery journey. A CRS works to facilitate positive change and instill hope by modeling stable recovery and sharing strategies for success.
